SADIE BANKS

breaking the rules

Hey! It's me, Lindsey. High school senior Sadie says she's *constantly* getting into trouble. Maybe I should make her stay for detention. :)

Hey, **sexy Sadie!** What have you done?

I haven't done anything!

No, you **know**—like in the song. "Sexy Sadie"? The Beatles?

Oh. I'm not really into the Beatles. I like modern-day music.

Who's your **favorite**?

I *love* Rihanna. She has an amazing voice, plus I love her style—it's so unique.

What **are your** hobbies?

Hanging out with friends, shopping, modeling.

Did you **like posing nude**?

Yes. I am very comfortable being nude.

Will your friends at school be surprised to see you in BARELY LEGAL?

The opposite! If they had "Most Likely to Be in BARELY LEGAL" in my school, it would be me!

How **did you get that reputation**—which is **awesome, by the way**?

Well, lots of reasons, but the main one is probably 'cause of my short skirts. I've already been sent home to change like 14 times this year!

Oh, I thought it might be 'cause you have tons of sex.

That's the other main reason! I *love* sex.

What's your **favorite way to fuck**?

I like being on top. That way I'm in control.

Oh, **are you the bossy type**?

No, that's just the best way for me to come.

What's the **best sex you ever had**?

Probably the time me and one of my boyfriends did it in the locker room after a game. I totally would have gotten expelled if the coach didn't intervene.

And **did you thank the coach after**? LOL.

How did you know? He was hot. So built.

Aren't you ever worried that you won't get to graduate?

That would totally suck! I'm already planning to go naked under my gown. No one will ever forget that ceremony!

I'm scared to **ask**—what's the *wildest* thing you've **ever done**?

Had a threesome with my best friend and her boyfriend.

Did you like it?

Yeah, except I had to keep sucking his cock instead of her 'cause he said I was way better at it.

Don't you **like to suck cock**?

Sure, but not the whole time! My pussy was being neglected.

What **wild thing do you think you'll do next**?

Hmm—what are you doing after this interview? ★

PANTY CONTEST WINNER

Announcing the winner of our October 2009 Panty Giveaway contest! L.C.'s letter was totally stirring in more ways than one. It's our patriotic duty to send him Stacy Haught's autographed undies!

Dear BARELY LEGAL,

Stacy Haught is one of the most gorgeous all-American girls I have had the pleasure to view in a long, long time. Our nation is undergoing some really tough times right now, and I myself recently lost my job. I am one of thousands of Americans who are hanging on and trying to make ends meet. It occurred to me that no matter how hard times get, no one can ever take the beauty of girls like Stacy or the awesome panties they wear away from us. Winning Stacy's panties would strengthen my hope that America is headed for future great times again. Holding them and smelling that young, all-American aroma of a very pretty young pussy would make me believe, once again, in the American dream. I would keep Stacy's panties and her pictures much like new merchants keep their first dollar bill as a reminder of just how lucky we are to be Americans.

L.C.
Colorado

Hey Lindsey,

Holy fuckin' cow! I'm in a daze from all of the sexy furburger in the October '09 issue. I'm a bush lover from way back, and to see all of those hot, hairy coochies was fucking awesome. I've been a subscriber for three years, and I don't recall that much hairpie in your mag before. Thanx!

Also, you asked if we wanted to see our favorite models again in your mag even if they are a year or two older. I say yes. Seeing Sasha Grey again was great. I would also like to see more of Melody (July 2009), Rui (September 2009) and Pamela (October 2009).

Lastly, thanks for Nina Devon's sexy panties, which I won in the May 2009 panty contest. Tell Nina that I have shot so many loads of hot cum into her undies while jacking off to her gorgeous photos. She's a total fucking hottie.

R.G.
South Carolina

I will definitely let Nina know that her panties are being taken care of! Thanks for your feedback, R.G.—and especially thanks for answering my question about favorite models coming back. Lots of readers agreed with you, which is awesome. See below!

—Lindsey

Dear Lindsey,

In the October issue you asked if we guys like to see our favorite girls come back for a second time. The answer is yes, yes, yes! The girl in question was Jewel [July 2009], who I think is the epitome of the all-American girl—blond hair, blue eyes, freckles across her nose, an engaging smile and a beautiful (naked) body. You could bring her back every year, and I would be happy.

Another example is Lexi Belle from September. Although she is no longer "barely legal" at 21 years old, it's nice to see how she has changed. Plus, she has a trimmed bush! So please, keep inviting the girls back for more photos.

K.H.
Utah

Thanks, K.H.! You might be happy to hear that Lexi Belle will be back again next month, in our March 2010 issue—and she still has her trimmed bush!
—Lindsey

Dear Lindsey,
Another awesome portrait of yourself [October 2009]! Thanks for the view of your butt and the rabbit-ear toy in your pussy, awesome!

[To answer your question,] I do like seeing the girls in a second or third pictorial. If they're saying yes, I ain't saying no! Some of my favorites are Kristina Rose, Kara Lynn, Jewel Styles, Hannah, Alexis Ford, Eden Amor, Memphis Monroe, Kaci Starr and many, many others. Lexi Belle is always nice to look at. (Go for number four, Lexi.)

R.S.C.
Arizona

Lexi Belle is totally going for number four next month, R.S.C., and you can look for Jewel Styles and Hannah later this year. And super hottie Alexis Ford is back in this very issue!

—Lindsey

Dear BARELY LEGAL,

Just wanted to say THANK YOU for the pleasant surprise in your October issue. Seeing more of Heather is a real pleasure. I could not be happier when I opened up the issue and saw her gorgeous pictorial. I am a very happy man! Also, I have to say, your Sasha Grey pictorial was great. She really lights up a room wherever she is. She reminds me how beautiful a bush can be! As always, looking forward to the next issue.

Yay, another fan of girls coming back! I'm so happy to hear from all you guys 'cause, to be honest, sometimes I want to see these girls again, too! ;)

—Lindsey

Dear Lindsey,

Thank you so much for the response in the September 2009 issue. I had asked about Christina Agave. You said she was featured in the May 2006 issue. I called the back issues department and ordered that issue plus the new *ALL BUSH* [volume 2]. Awesome, awesome! They both arrived together. It was so nice to see Christina when she was just starting out. No tattoo yet, either. Also, the September issue featured Lexi Belle, another favorite of mine. Keep up the great work, and keep those awesome girls coming! Thanks again!

Dear BL,

I was a *Playboy* subscriber for about 30 years, until I discovered BARELY LEGAL. I've been a subscriber of BL since '05 and can't get enough! I've always preferred petite, natural girls, and it seems like most of the girls in BL are petite!

I get stiff just *thinking* about the two *ALL BUSH* issues! Hey, Lindsey, how about giving me a call and letting me know when the next *ALL BUSH* will be coming?

M.L.
Pennsylvania

Thanks, M.L.! Guess what? The next *ALL BUSH* is here! I hope this one makes you stiff, too. ;) Let me know!

—Lindsey

Hey, furry-pussy fans! You guys asked for a third volume of *Best of BARELY LEGAL Presents: All Bush*, and you got it. Our latest hot 'n' hairy special issue hits newsstands January 19.

If you can't find *All Bush* at your local newsstand—don't worry! You can order it online at HustlerMagazine.com, or you can send a check or money order for \$15 to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. **BLAKE LIVELY &
LEIGHTON MEESTER**

Behold the power of BARELY LEGAL! Do you guys remember in our last issue when we said the hottie stars of the TV show *Gossip Girl* could lose their lameness if only they would show some skin? Well, it looks like someone totally must have read our comment to them!

First, Blake was spotted on the streets of New York slipping a nip while covered by two layers of clothing. That takes some doing!

Meanwhile, Leighton showed up at the 2009 MTV Movie Awards with a fully covered top and a sheer *bottom*. (She *always* has to be different.)

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. How are all of my valentines out there? :) I've got *tons* of sweets for my sweets this month!

First, for my honeys who like things *HARD*—you *might* want to take a look at Faith and Kandi Milan. They spread their pussies so far, you can see right inside their sugar walls! Also, Teen Queen Felicia pops her clit out until it looks like a little pink gumdrop, ready to be sucked. *Slurp!* And guess what, toy fans? Felicia is a big fan, too! :)

Superhot Alexis Ford would rather spread her heart-shaped heinie for you. I swear that girl isn't happy unless there's jizz dripping out of her booty. Could *you* make her happy?

I *always* want to show my love to the guys who love bush, and this month we have *three* furry cuties—including *Slumber Party* encore girl Envii and her cotton-candy cooch. Melts in your mouth!

Oh! and we have *two* horny hotties giving away their panties—tasty Sadie Banks and luscious Allyssa Hall. I can tell you for a fact that their undies smell yummier than warm cherry pie.

So tell me, dear, sexy valentines—how did I do this month? Do you still love me forever?

ALEXIS FORD

more, more, more

What's up? Shawna the intern here. Porn superstarlet Alexis Ford went from brunet girl next door in our July 2008 issue to blond bombshell in September 2009. We're so into her new look, we just *had* to see her again.

Hey, Alexis! You keep getting hotter and hotter. It's just my inner horniness shining through. LOL! How **horny are you?**

I have to have sex every single day.

What if **there's no one available?**

There's always *somebody* available. It doesn't have to be somebody I know *well!* ;)

What's **your favorite way to have sex?**

I like it rough—with maybe a little choking and spanking.

Last time **you were here, you said you like anal.**

I do! Sometimes I even like it more than regular sex. It can be amazing if you do it right.

How **can you tell if you've done it right?**

If my ass hurts the next day!

Do you **ever have sex in public?**

I love fucking in public—especially, like, in a movie theater. It's dark, but there are people all around you. You can get caught at any time.

What's **the best feeling in the world?**

Cum dripping out of my asshole.

What's **the worst feeling?**

When I wake up with the morning horniness and there's no one there to fuck!

You **kind of have the perfect job, don't you?**

I LOVE my job. I can't imagine doing anything else! ★

EVIE

my secret side

Hey, everybody! I'm Devon the intern. High school senior Evie says she's quiet, shy and a good student—but you can't tell a bookworm by its cover!

Hey, Evie! **So, are you, like, a straight-A student?**

Yes, and a social outcast! To be a popular girl in my school, you have to dress like a hoochie and suck about a million wieners.

And you don't want to do those things?

I don't want to look like a stripper, no! I like to wear nice skirts and dresses. But I do give BJ's. I just don't tell the whole world about it.

Well, but if the guys at your school think you don't give BJ's, where are you giving them?

I only hang out with guys at the *other* school in our town. The Catholic school. Those guys are *bad*.

You're into bad boys?

Yeah! They make the boys in my school look like children. Which they *are*.

What's your favorite thing to do with these bad boys?

I love to go for rides with them and park somewhere and have sex in the backseat or out in the woods.

Have you ever given a guy a blowjob while he's driving?

A bunch of times! That's how I let them know I want to pull over and have sex.

Do you like to suck cock?

Yes, I love the feeling of turning a guy on. It's powerful and sexy.

Do you like when they lick your pussy?

Omigod, yes, I lose my mind! If I had to take a chemistry test right after someone licked my pussy, I would fail. And that's my best subject!

What's your favorite way to have sex?

I like anal sex best.

Anal sex? I bet that would really shock the guys in your school.

They would never believe it. Only the worst worst girls in my school do it up the butt.

Why do you like it?

Because if I touch my pussy while a guy is doing my butt, I have the biggest orgasm of all time.

The poor guys in your school are missing out.

Don't tell them! I love being a secret bad girl. ★

APRIL O'NEIL

girls love skills

Hello! Devon the intern here with culinary student and rising star April O'Neil. "I am so stoked to be in your magazine!" April exclaims. "I haven't been in one yet, and I'm very excited. I think I'll frame it."

Why did you decide to start modeling?

I've always wanted to be a model, but I am too short. Then I found out that no one cares how tall you are if you let them

shoot you naked. It pays pretty damn well, too.

Do you like posing nude?

I love it! It's fun getting all glammed up. I like seeing the pictures. It's arousing to see how beautiful I am. I'm quite vain and very proud of that fact.

What are your hobbies?

Anime, cooking, reading, TV, watching the Phoenix Suns and playing video games.

How did you lose your virginity?

I was a whore about it. I wanted to just do it already, so I started alphabetically calling guys in my phone book, asking them to come take my virginity. I made it to the middle of the Cs before I got one. We did it in his car and then wrote our names in the steam on the windows. It was so cheesy.

What turns you on?

It's true—girls love skills.

What turns you off?

Unwarranted confidence.

What's your favorite sexual position?

I like to be in control.

Do you like oral sex?

I LOVE oral sex! How could you not?

Are you bisexual?

Yes, I am. My first time with a woman was the best. It was all very epic and sensual. I'll never forget the way she tasted, so very sweet...like candy.

Do you wear panties?

Not unless I have to for a shoot. I really hate wearing any sort of undergarment. If my boobs weren't so big, I'd never wear a bra either.

How often do you masturbate?

Two or three times a week. I just won an OhMiBod [musical vibrator] via Twitter, and I am beyond stoked to start experimenting with that!

What's the best way for someone to make you come?

Pay attention to every little detail for as long as possible. The anticipation really does it for me. The longer the foreplay, the stronger the O.

What is your dream date?

Take me to Japan, and you win me.

What are your future plans?

I intend to own and operate a bakery someday. And I'll model till they don't want me anymore! ★

Envy is one of the seven deadly sins—which makes sense, 'cause 19-year-old **Envii** is killing us with cuteness! The mouthwatering Mobile, Alabama, native first appeared in our August 2009 issue, where she confessed, "I'll take off my clothes almost anywhere in a heartbeat." And now we have proof—that's a ~~public~~ public beach! This naughty ex-cheerleader loves the great outdoors—the first time she ever had sex with a girl was "on a blanket in the woods," and her fave fantasy is "to have sex with another girl under a waterfall." Adorable Envii's not *actually* a sin—she's just a "hedonist" and a "free spirit." We, on the other hand, are guilty of at least two of the deadly seven: lust and gluttony. We want to gobble her pussy right up!

Male Enhancement Pills ...

Is it a Hoax or Do They Really Work?

Dr. Daniel Stein, M.D.

I wish I had a dollar for every patient or person that asked me over the last few years about increasing the size of "that certain part of the male body." The preoccupation with size that men have is a mystery to most women. The fact is it is completely normal for most men to want to be larger. It doesn't matter if they are smaller than average, average, or larger than average. It's even been my experience that guys that are almost too big, so big in fact that many women won't go near them with a ten foot pole (sorry about that) still want to be larger!

I was so intrigued by this fact that I started to do research about the "so called" male enhancement pills that came on the market several years ago. The concept that a simple pill could noticeably increase the size of a man's organ seemed plausible, but I wanted to know more. I had done much research over the years about certain sexually enhancing compounds available, so I believed the concept was sound that a pill could be made to make a man larger.

My first task was to look at some of the ads I had seen in magazines for male enhancement. There were some amazing claims by many of these makers. My personal favorite was a cream that claimed to make men instantly larger. I had to laugh out loud when I read what it said. The ad read, "apply cream, rub vigorously, increase your size." I thought for a minute and then decided you could put virtually anything on a man, including guacamole, and if he rubbed vigorously it would increase his size. Then there was an ad for a pill, that if taken daily, would increase the length of a man by 3 to 4 inches in just a few *short* days (sorry about the "short" comment).

I'm sorry, but after all those years of medical school, I know enough about anatomy to know that a guy who is 5 inches in length isn't going to add 3 to 4 inches to his little friend unless he buys a rope, gets a large brick, finds a bridge and...well, you get the picture. At about this time I was beginning to think that perhaps these makers hadn't found the magic mixture of compounds I had hoped they might have.

As the founder of both the Stein Medical Institute and the Foundation for Intimacy, I have spent most of my adult life trying to improve men and

"I recommend any man healthy enough to engage in sexual activity should try Extenze."

women's sexual health. I pride myself on being the best medical doctor I can be and my reputation is important to me. So, when out of the clear blue sky, I got a call from the makers of Extenze, the leader in male enhancement, wanting me to be in one of their TV commercials, I thought, "Boy, did they pick the wrong guy!"

Little did they know that I had done real research into this concept and had recently looked at some of these male enhancement products. But the makers of Extenze seemed to be genuinely

convinced that their product really worked, and they claim to have sold over 100 million capsules to men all over the world. "Over 100 million capsules taken by men." With that single declaration, they had my interest. Either Extenze really worked or these guys were the world's greatest snake oil salesmen. So I requested that they send me Extenze formula so I could review it, then we would talk.

I then visited the Extenze.com web site, where I found a page that showed the top twelve adult film stars, all holding Extenze and endorsing it. I thought to myself, "Is it possible Extenze actually works?"

The next day I received the proprietary Extenze formula and there it was, virtually all of the ingredients that I hoped would be in a male enhancement product, 19 pharmaceutical grade nutraceuticals. There was Yohimbe (which used to be available by prescription only,) L-Arginine, Maca...all of it was there.

I contacted the makers of Extenze the very next day and asked them what they needed me for. They explained that they had a desire to have a medical doctor in their T.V. commercials to talk about the effectiveness of the ingredients in Extenze. At that moment an idea sprang into my head. I told them if they would let me improve the formula of Extenze, I would do the commercial for free!

Before I knew it I was working with their

"they claim to have sold almost a quarter of a billion capsules to men."

chemists at the manufacturing plant where we added the most revolutionary thing to the formula of Extenze. We added DHEA, also known as the "mother of all hormones." DHEA is the most important human prohormone and is the prohormone that converts into testosterone in men. DHEA levels decrease with the aging. Production peaks in a man's early 20's, and declines about 10% every 10 years. Low levels of testosterone can lead to low sex drive and a smaller sex organ.

After a few more weeks of tweaking the formula of Extenze, we were done. The new Extenze formula has been selling even better than the old formula, with over 75% of sales to repeat customers. Extenze has been on the market for 7 years and has sold almost a quarter of a billion capsules to men all over the world. It doesn't matter if you're 18 or 80 years old. In my opinion Extenze can make you larger, harder and increase both your intensity and pleasure and it is as simple as taking a single tablet daily. Extenze is so sure it would work for anyone that they're sending out a free one-week supply of Extenze for nothing more than the cost of a postage stamp. You can contact them directly at 800-461-7155. I recommend any man healthy enough to engage in sexual activity should try Extenze. You have nothing to lose but a lot to gain. ★

COMING OUT OF MY SHELL

A BARELY LEGAL CONFESSION

BY CHRISTINE NGUYEN

I never did anything wild in all my life. Now I'm awesome.

Hi! I'm Christine. I'm 18, from Orange County. I grew up sheltered. I never talked to boys. I was way out of touch with my body. I only recently had my first orgasm, can you believe?! But I've had a ton since—thanks, Valerie! :)

When I met Val, my life changed. She transferred to my school and took me under her wing. That sounds dumb 'cause we're the same age, but she's experienced. So beautiful, too: blond, blue-eyed—classic California girl with *perfect* boobies. I would have never tried to be friends with her—why would she want to hang out with a dork like me?

The first night I came, I was staying at Val's. She was dressing me. She has a bedroom suite with a giant walk-in closet that's practically the Beverly Center. She told me I needed a "fashion overhaul." *Duh*, I can't dress cute. My mom has final

approval, plus my clothing budget is about, like, two pennies.

Val threw blouses, pants and skirts at me, eventually settling on a gauzy blue dress.

"Take off your clothes," she said. I shed my lame khakis and Polo and stood in the mirror in my plain cotton bra and underpants.

"Raise your arms." She pulled the dress over me and grinned in the mirror behind me. "Your body is *smoking*."

Not to be conceited, but I did look good.

"Do you ever get horny looking at yourself?" Valerie wiggled out of her Baby Phat shorts and tank. Underneath was a pink-lace bra and panties, probably like \$80 at Victoria's Secret. "Sometimes I get so hot I have to rub myself off. Is that not vain?"

She laughed and squeezed her boobs. "My tits are hot, though, huh?"

"They're great," I agreed.

"You too, though." Val stood behind me, resting her hands on my shoulders. "Your boobs are like plums. Doesn't your body turn you on?"

Maybe. But I'd never "rubbed myself off." I'd been horny, sure, but I was taught that masturbation was a ticket to hell. Valerie was making me question everything.

"Sometimes I stand in the mirror and watch myself have a bunch of orgasms," Valerie said. She pulled her boobs out of her bra and mashed them together. "So juicy." She lifted one to her mouth and licked it. "Cool, huh?"

"I don't think I can reach mine," I laughed. "Too small."

"Just squeeze. It's hot anyway."

I circled my nips with my palms. Blood rushed to my clit.

"Wow," I sighed, watching myself in the mirror. A damp spot

I guess that's what happens when you're coming.

"Awesome," Val beamed. "See how fun it is to have sex with yourself?"

That night set me on fire. I couldn't keep my mind on anything other than masturbating. I used to spend my nights in my bedroom buried in books—now I was flopped on the bed rubbing myself silly. Boys noticed me at school, and I wasn't scared to smile at them. For the first time ever, I had confidence. Enough confidence to talk to Sam Tate, the guy I'd been crushing on for ages.

It's incredible what can happen when you get over your shyness and just say hi to a guy. You could end up really liking each other. You might even wind up sucking his dick—that's what happened to me.

I stayed after school to watch Sam run laps—he's a cross-

formed in my panties. Moisture spread through the thin cotton. My fuzzy pussy peeked through the fabric. I ran my finger through the wetness, tickling my clit.

Valerie gripped one of her floor-to-ceiling shoe racks and stuffed her hand in her panties, rubbing vigorously. I dropped to my knees and jiggled my swollen pussy with my hand, watching. My boobs shook softly. My nipples were puffy and flushed. Behind me in the mirror, Valerie threw her head back and moaned, her hand thrashing wildly in her underwear. Maybe it's gay, but witnessing her orgasm really pushed me over the edge. I fell onto my back, rubbing wildly.

"Omigod," I gasped. Something was opening up inside of me. Heat spread from my clit to my belly. It radiated out through my toes and fingertips, swelling up bigger and hotter until my whole body exploded.

"Fuck me!!!" I never talked like that. It just busted out of me.

country star, super tall and lean. I sat in the bleachers by the track. I walked right up to him when he was done running.

"You looked awesome out there," I said. I know—brazen!

He was like, "Christine Nguyen? I always thought you were cute, but you never said anything unless it was about trig." *He always thought I was cute?!!*

We walked around the track. He asked me things. I couldn't believe a guy could be so interested in me. He was like, "What do you do besides study?" I didn't want to tell him, "Oh, I masturbate." LOL! I told him I was into reading, baking cookies and hanging out with Val.

He pulled me under the bleachers and kissed me. If he hadn't had his arms wrapped around my waist, I would have dissolved. I tasted his tongue in my mouth, felt his hard body pressing against me. He was so tall, I had to wrap my hands around his neck and pull up on my tippy toes to reach.

He ran his hands over my boobs, his thumbs rolling over my nips, then down my waist and over my ass. It felt incredible. Something strange came over me. I dropped to my knees and stuffed his dick in my mouth.

He was so hard, and his cock was so long, I couldn't fit it in all the way. But I didn't panic. I was just like, Well, I'll make up for the rest with my hand. I slurped as much as I could into my mouth, then popped it out and ran my tongue down the shaft, following the wet trail with my palm. I paused to suck the head, sticking my tongue in the hole and sucking out the clear, slippery fluid beading at the tip.

Sam moaned and pulled my hair. What a turn-on, a guy tugging on my scalp and making sex noises because of something I was doing. Girls who don't enjoy BJs are obviously missing something.

sucking your pussy. I was beginning to wonder if Sam was my boyfriend. I was ready to go steady.

Then there was the party.

Val has a cousin at UC Irvine who was throwing "the celebration of the century" in honor of her best friend who just got cast in a reality series about people trying to break into acting. Her cousin's friend was hosting it at his house in Laguna Niguel, and it was going to be HUGE. I told my folks I was staying at Val's, and Val told her folks we were going to a party, because her parents let her do anything.

It was like something out of a movie. The house was gigantic, with a sparkling, kidney-shaped pool surrounded by blond girls in bikinis and tanned guys with six-pack abs. I was way out of place. But Val brought me a fruity drink, and another, and pretty soon I was the life of the party.

"I'm gonna come," he wheezed. "Show me your tits."

I unbuttoned my blouse and pulled down my bra. Sam yanked his bone feverishly.

"I want to come in your mouth and on your—*unggh*—"

I opened wide. Jizz landed on my tongue with a *smack*. Hot globs splattered my chest and slid through my cleavage. I licked my lips. In case you were wondering, cum is savory, like mushrooms, but also there's a trace of bitterness. You know, like when you're eating nuts from the shell and you get some of that really harsh stuff that dries your mouth out? Only semen doesn't dry out your mouth, obviously.

I wasn't sure what would happen after that, because I've heard that guys can be jerks after girls give them BJs. Sam was cool, though. We met under the bleachers a lot. Sometimes he licked me. Once, we even did it together—69 is crazy! It's hard to concentrate on blowing a guy when he's

Val and I chilled in lounge chairs by the pool, sipping whatever it was we were sipping (something strawberry-coconut, with tons of rum). Sam was there, too, swilling Bud Lights at the tiki bar with a group of buff UC Irvine guys in swim trunks. I was talking to Tawny, a beautiful redhead from L.A. who had tried out for the reality show but hadn't made it. She was stretched out in a chaise lounge beside me, a yellow string bikini barely containing her creamy body.

"Those Hollywood producers must be retarded," I proclaimed, all bold and tipsy. "You're gorgeous. I would be totally in love with you if I was a guy."

I guess drinking brings out the lesbian in me.

"You're gorgeous," Tawny said. "I wish I was exotic. I feel so plain."

I snorted. "Please! Look at those big green eyes and, wow, your boobies!"

I reached over and plucked one of Tawny's incredible tits from the tiny triangle of yellow crocheted fabric containing it. "Omigod!" she squealed, giggling and pawing at me. She pushed a hand into my top and squeezed my boob. We kind of wrestled, or something, for a minute, and then we were kissing, and the next thing I knew, I was tongue-deep in Tawny's tight pink pussy, right there, poolside, in front of EVERYBODY.

"Omigod," Tawny moaned, squirming, pushing her pussy hard against my face. I kneeled at the foot of the chaise lounge, her thighs resting on my shoulders. Licking pussy came as naturally to me as a BJ. I guess oral sex is a strong suit for me. I'm not gay or whatever, but eating cooch—wow. I mean, the way Tawny's inner labes fluttered against my

"I had no idea you were such a freak!" His shorts were bulging. I reached out and pulled at his elastic waistband. His dick popped out—*sproing!* I slurped it into my mouth, as deep as I could. My throat relaxed and opened, swallowed the tip of his peen.

"Omigod, Christine!" I heard Val shriek. I guess it was pretty shocking. I mean, I'd been the quiet nerd in the corner for so long, and *now* look at me.

Sam kneeled behind me and poked at my shorts. I returned my attention to Tawny's pussy, sucking her labes and flicking my tongue against her hard clit. Sam pulled my shorts down and pressed his cock against my wet pussy. His dick, slick with spit, slid inside easily. I was tight, and I gasped, but OMG, I loved it. So amazing!

tongue, her soft, salty taste—it was amazing.

"Oh, yeah," she cooed. I slid my hands under her bubble butt and lifted her slightly. I pushed my tongue from her pussy to her ass, poking her tiny butthole with the tip of my tongue. No, it isn't gross—it's hot. I licked her tooter and plunged two fingers into her pussy. She squealed and kicked her feet.

"What the hell, dude?" It was Sam. I thought he was mad, but when I glanced up, he was grinning.

We had drawn a crowd. There I was, Sam pumping in and out of my pussy, my mouth clamped tight to Tawny's clam—I'm lucky no one was filming or I'd be all over the Internet! Before long we were all coming: Tawny squirting juice in my mouth, Sam splooging all over my ass, and me rubbing my swollen clit till I collapsed.

I guess it's no surprise that now I've got a *serious* rep. It feels good, though. I was invisible for the longest. Now everyone knows who I am. ★

FELICIA

Hey, it's Lindsey. High school senior Felicia is such a tough rocker chick, I didn't really think she would care about winning our highest honor. I was wrong!

"Are you kidding?" Felicia yells. "It's the most awesome thing ever! The guys in my band are always hanging up centerfolds in our studio. Now they can hang *me* up!"

Describe yourself, please: I eat, drink and sleep music. Drives my parents crazy. They want me to go to college and become, like, an accountant or something. Can you imagine? I was born to rock!

Romantic status: Single, of course. I've got, like, my pick of hot groupies. I ain't giving that up!

Something no one knows about you: I don't sleep with the guys in the band.

Hey, Kandii! What do you do besides model?

Have fun, hang out with my friends or just stay home and play with my puppies and bake cookies.

Are you seeing anyone?

I'm between boyfriends at the moment—and taking applications!

How did you lose your virginity?

I was dating this guy, and he wanted to wait, so I had to, like, pressure him into having sex with me! Finally, I got him drunk and had my way with him! LOL!

What's your sexual personality like?

I'm silly, and I like to have fun. I giggle a lot during sex—especially with girls.

So, you're bisexual?

Yes! There are a lot of sexy bitches out there!

What kind of girls do you like?

Lipstick lesbians—girls who are sexy, cute and love to eat pussy. Yay!

I had this one wild night with a girlfriend where we went to a party, had a threesome with this one guy, then went home and had crazy, loud sex with each other.

What's your favorite sexual activity?

I love anal! I think it feels even better than regular sex. I can't get enough.

What's the best way for a guy—or girl—to pick you up?

Guys should be confident and have a sense of humor. I'm pickier about girls. They have to be hot!

Give my pussy lots of attention. I also like having things in my ass.

What sorts of things?

Cocks, fingers, tongues, toys, whatever. I'm a dirty girl. LOL!

How often do you masturbate?

All the time. I never leave home without a purse full of vibes and dildos—which *can* be embarrassing at the airport!

JERRI

truth and dare

photography by jana krenová

Bonjour! Je m'appelle Devon the intern. Jerri is a high school varsity tennis player and co-treasurer of the French club. She says she's so super busy that she doesn't have a lot of time for boys. You could have fooled me!

Hey Jerri! First, what do you look for in a guy?

I like lots of different guys. My *ideal* guy is funny, sweet and in good shape.

Have you ever been with a girl?

Yes. All the girls in French club are bi. We have some wild parties! I like making out with girls in front of a guy—I love how excited guys get.

How often do you masturbate?

Every day! My girlfriends got me a vibe for my birthday.

What do you think about when you masturbate?

I think about all the guys I wanna do and wonder how big their things are. Not that bigger is always better, but it makes me hot to think about!

Do you like giving oral?

Of course! Blowjobs are a good way to show a guy you like him.

Do you spit or swallow?

Swallow. I love it when a guy comes down my throat.

Have you tried anal sex?

I haven't yet. It sounds hot, but I wanna make sure my first time is totally perfect.

Do you enjoy exposing yourself in public?

I've tried nude sunbathing—mostly just in my backyard. But I'm pretty shy about that stuff. But if I had bigger boobs, *omigod*, I'd be flashing them like crazy.

Have you ever had sex in public?

No, but I once gave a guy head while he was driving. I thought for sure we were gonna get pulled over!

AGE: 18
HEIGHT: 4-10
WEIGHT: 96 POUNDS
MEASUREMENTS: 30B-22-30
HOMETOWN: BATON ROUGE, LA.

The first time I ever had an orgasm was from oral sex. But I also like to get fucked really hard. I've had super intense orgasms that way.

What's the **best sex you've ever had?**

With my best friend's brother. Omigod, I was so afraid she was going to catch us! It was just wrong—and weirdly hot.

What's **your ultimate sexual fantasy?**

To do it with the entire basketball team and have them all come on my face. Does that make me a slut?

No. **Did you like posing nude?**

It was a total confidence booster. I'm pretty shy, so posing nude was really daring—and fun! ★

FAITH

fur your eyes only

Hey! It's Lindsey. You guys better stare at high school senior Faith's amazing boobs, butt and bush while you can. They're very special!

Hey, Faith! Did you like posing nude?

Yes, but it's my first and last time.

Why, if you liked it?

'Cause I really only wanted to pose for BARELY LEGAL once, to see what it was like. I don't want to be a professional model or anything.

What made you pick BARELY LEGAL? Not that I'm objecting!

'Cause I started reading it when I was still a virgin, and you guys really helped me, like, be prepared to have sex. I wasn't scared or worried about anything.

So, thanks to us, your first time was good? Yay!

It was *awesome*. I think I even had an orgasm.

Do you also like the pictures in BARELY LEGAL?

Yes, I like to look at naked girls. But I don't *do* anything with girls, if that's what you're getting at. I only have sex with guys.

What kind of guys do you like?

Mature and handsome, with a good job. Also, I'm not really into just hanging out. I like for guys to take me on dates, like to a nice restaurant.

Do you ever have sex on the first date?

Yes, I do. If I'm sexually attracted to a guy, I know right away—so why wait? ;)

What's your favorite thing to do sexually?

I *love* to do it in the butt. I know it's dirty, but I can't help it. It feels so awesome!

I'm not judging. I did notice that you totally wax your butt.

Yeah. It *kills*, but I like to keep that area clean in case guys want to lick me down there.

Do you want guys to lick you down there?

Omigod, yes! If they just do that one thing, I'll do anything they ask.

What if they ask you to pose nude? LOL.

Oh, I would pose again for *them*, for private consumption. Maybe they could even join me! ★

INNOCENTS TAKEN

Bizarre Video. Directed by Andre Baylock; starring Cindy Hope, Blue Angel, Yvette Balcano, Kristine, Lola, Tarra White, Nick Lang and J.J.

Innocents Taken is so far beyond kinky it's not even funny. It starts off with a cute blonde named Blue Angel who doesn't wanna practice the piano, so meanie music teacher Cindy Hope totally spansks her butt for like ten minutes! Poor Blue is squirming and crying, and then Cindy busts out a belt! I'm totally squeamish when it comes to stuff like this, but I *did* like it when Cindy finally had sex with Blue using a strap-on. That was HOT. Also? I love that all the other girls wear these super hot school-girl outfits. Baby-faced Yvette Balcano has an awesome butt that's perfect for anal sex. Just fast-forward through, like, literally 20 minutes of spanking first! BFFs Kristine and Lola explore each other's bee-hinds with fingers and toys. Tarra White gets her booty spanked bright red by her teacher, and she cries so hard that I just feel bad for her. But then she's totally into having sex with him after! I don't really get the whole spanking thing, but I love these ladies, and there's plenty of sexy stuff for wussies like me to enjoy. If you want to see something really, *really* naughty—but also really hot—check out *Innocents Taken*.

Getting spanked makes Tarra hungry.

Lola shares her awesome new moisturizer with BFF Kristine.

Okay, Kristine is just *asking* to be spanked.

Howdy! Shawna the intern here. Allyssa has become a total superstar since her first appearance in *BARELY LEGAL* (May 2009). Now she's back by popular demand! We just had to have another gander at her awesome bod—and even awesomer boobs.

AGE: 19
HEIGHT: 5-3
WEIGHT: 100 POUNDS
MEASUREMENTS: 36C-25-36
HOMETOWN: SANTA CLARITA, CALIF.

Hi, Allyssa. **What's new with you?**

Not much. Just partying it up, hanging with my friends and making dirty movies.

How did you get into the adult industry?

I met a girl at a party, and she introduced me to some people. I've always been a sexual person. I love to get naked. Doing porn is fun. It's the perfect job for me.

What's been your favorite scene so far?

I like them all. My favorite is when I get fucked really hard or when I get to have a threesome with a guy and a hot girl.

Do you like it when guys come on your face?

I love it! I love making a guy come. The more he comes, the sexier I feel.

What's your favorite sexual activity?

I give a lot of blowjobs. But I like it when guys go down on me, too.

Have your feelings about anal sex changed?

Omigod, I'm all about butt sex now—ever since I had my first anal orgasm. I never realized how sensitive I am back there.

Have you done anal in any of your movies?

Not yet. I don't want the whole world to see what a spaz I am during butt sex.

What's the wildest sexcapade you've had recently?

I was having sex with this guy, and his roommate walked in right in the middle of us doing it. But instead of leaving, he walked up to me and put his dick in my mouth. I was like, Okay, the more, the merrier!

Is it hard to date now that you're a porn star?

It's tricky. A lot of guys get jealous. I'm still looking for Mr. Right, someone who can accept me—and my girlfriend—for who we are.

What are your plans for the future?

I want to be a real porn star, like Jenna Jameson or something.

Any words of advice for girls who want to follow in your footsteps?

Remember, ladies, it's okay to sleep your way to the top! ★

Allyssa stars in *BARELY LEGAL* #88, *BARELY LEGAL Coming of Age* #3
and *BARELY LEGAL Innocence* #11 on DVD from HUSTLER Video.
